REPORT OF COUNTY COMMISSIONERS

To the Citizens of Cheshire County:

In compliance with the provisions of the Public Statutes we submit this as our Annual Report for the year ending Dec. 31, 1921, containing the reports of the Superintendent of the County Home, Treasurer, Clerk of the Court and other County Officers.

The superintendency of "Maple Wood Home" has been under the efficient management of Mr. B. R. Wheeler with Mrs. Wheeler as Matron and they have served to the satisfaction of the Commissioners and we believe for the best interests of the county.

Miss Richardson has rendered us most valuable assistance both in the office and in looking up outside cases. She has also been successful in finding good homes for a number of children the county was caring for which will save the county much expense later.

You will see from the report of Dr. Craig the services he has done both in the Hospital and with the patients in the Home and he has been materially aided by Miss Alida Post the nurse in care of the Hospital whose report you will find later.

We wish to repeat the suggestion which was made a year ago that the citizens should visit the Home and Hospital. The superintendent and all officials will be pleased to see you and it will do the inmates good to feel that you are interested in them.

After due consideration we decided to close the jail, June 30 for one year and all prisoners have been transferred to Manchester where they can be placed at work.

We wish to thank the W. C. T. U., the Ladies' Aid of Westmoreland and all individuals who assisted in making a Merry Christmas for all the inmates of the Home.

We have had some heavy repairs made at the Farm during the year. The roofs were all in bad shape so we gave them a thorough repairing which ought to last for years.

The sanitary arrangements have been changed in accordance with the recommendations of your committee and a fire escape placed on the old asylum. The posts under one of the barns had settled and we replaced them with cement ones, and a cement floor in the boiler room. We have had the elevator in the Hospital put in working order. We think the recent purchase of a new truck has proved an excellent investment.

All these changes have cost a good deal which will make this year's expenses heavy, and there are some outstanding bills, principally one of Nims Plumbing Co., for work and material on the sanitary repairs.

We have been getting wood and logs from the wood lot bought some years ago and which has proved a valuable investment as we have enough left to supply the Farm for some years.

Respectfully submitted,

JERRY P. WELLMAN,
WILLIAM E. JOHNSON,
WILLIAM S. TUTTLE,
County Commissioners.

State of New Hampshire,

Cheshire, ss.

We hereby certify that we have examined the accounts of the County Commissioners for the two periods ending June 30 and December 31, 1921, and find them correctly kept with proper vouchers on file for all payments made. The contracts appear to have been fairly made and expenditures generally in the interest of the county. The Commissioners report outstanding bills in favor of the county physician and a pauper claim due the town of Jaffrey.

ELGIN A. JONES,
FRANK K. JEWETT,
*EDWIN D. HAYWARD,
Auditors.

Keene, N. H., January 13, 1922.

*Mr. Hayward resigned in December on account of illness.

REPORT OF SOLICITOR

To the Honorable Board of County Commissioners for Cheshire County:

I beg to submit my report as Solicitor for the year ending December 31, 1921. The following cases are the more important ones that have been disposed of during that year.

State v. Wilfred Spoon and Joseph Marrotte. Robbery. One year and one day in State Prison. Sentence suspended as to Spoon with mittimus to issue at the call of the solicitor. Later Spoon was apprehended upon another complaint and is at Westmoreland for one year.

State v. Harry Brown. Obtaining money under false pretenses. Plea, guilty. Fifty dollars fine and costs of fifteen dollars.

State v. Earl D. Hall. Forgery. Plea, nolo. Two years to three years in State Prison.

State v. Charles Pickford. Breaking and entering. Plea, guilty. One year in jail and costs of seventy-five dollars. Jail sentence suspended. Costs paid. Mittimus to issue at the call of the solicitor.

State v. Leon Mouseley. Auto offense. Leaving scene of injury to person without stopping. Plea, guilty. One hundred dollars fine and costs of seventy-five dollars.

State v. Carl Bucossi. Adultery. Plea, guilty. Six months in jail and fine of fifty dollars. Jail sentence suspended.

State v. Daniel Shea. Adultery. Plea, guilty. Six months in jail. Fine of fifty dollars and costs of twenty-five dollars. Jail sentence suspended. Fine and costs paid.

State v. Minnie Miller. Adultery. Six months in House of Correction. Fine of fifty dollars and costs. Fine and costs remitted. House of Correction sentence imposed.

State v. Charles Carkas. Indictment for manslaughter. Verdict, not guilty.

State v. Lewandowski. Obtaining property by false pretense. Respondent not apprehended.

State v. Eugene Slidzewski. Obtaining property by false pretenses. Plea of guilty. Four to five years in state prison.

State v. Earl D. Hall. Three indictments for forgery. Placed on file.

State v. Chacos. Liquor complaint. Plea of guilty. Thirty days in House of Correction suspended. Fine of fifty dollars and costs of nine dollars and seventy cents paid.

State v. Joseph LaBounty. Failure to support children. Plea, guilty. Six months in jail suspended upon payment of money to children.

State v. Wallace Dodge. Murder. Respondent at State Hospital for observation.

State v. Susan LaBounty. Perjury. Plea, guilty. One year in House of Correction.

State v. Alfred Matson. Attempt to kill. Plea, nolo. State Prison one and one-half to two years.

State v. Charles Champney. Attempt to kill. Plea, nolo. State Prison seven to ten years.

State v. Marie Lindrin. Adultery. Plea, nolo. Six months House of Correction. Fifty dollars fine and costs of twenty-seven dollars. Fine and House of Correction sentence suspended. Costs paid.

State v. Mattie Lambi. Adultery. Respondent confined in Hillsboro County for another offense.

State v. Harry Kharfen. Attempted arson. Plea, nolo. Sentence one and one-half years to two years in state prison. Costs of two hundred dollars. Mittimus to issue May 1.

State v. Louis J. Feldman. Attempted arson. Plea, nolo. Six months in jail and costs of one hundred and fifty dollars.

State v. Albert Erhardt. Larceny of a horse. Plea, guilty. State Prison four to five years and to pay costs. Sentence in State Prison suspended. Mittimus to issue at the call of the solicitor.

State v. Warren Fiske. Assault with intent to kill. Respondent not apprehended.

State v. Charles Enright. Fraud. Plea of nolo. Continued for sentence upon payment of fifty dollars costs.

State v. Charles J. Molloy. Arson. The state prepared for trial at this term of court but the respondent did not appear. His bail in the sum of two thousand dollars was forfeited to the county, and his whereabouts are unknown.

There have been the usual number of prosecutions in Police Court for minor offenses over which the Police Court has jurisdiction and most of these have resulted in convictions. Some appeals have been taken and some are now pending in the Superior Court. Certain juvenile cases have also been disposed of which have not been mentioned above.

There is no civil case pending in which the county is interested.

Respectfully submitted,

ROY M. PICKARD,

County Solicitor.

COUNTY AGENT'S EIGHTH ANNUAL REPORT

The past year has been the busiest one we have experienced since we were organized June 14, 1914. Not only has our organization doubled its total volume of business, but it has saved thousands of dollars to our members as we can prove by actual figures.

Cooperative Buying and Marketing

For years farmers have been in the habit of talking about this question without actually doing the work. Our Bureau has played a most active part this past year in carrying out both the cooperative marketing and buying projects, but not without strenuous opposition. Our own County and Rockingham were the first two counties in the country to successfully market wool. We have also taken another forward step in organizing five Egg Circles, which work is carried on cooperatively with The New Hampshire State Cooperative Marketing Association. Almost half of our dairy farmers are now prepared to market their dairy products together. All this work has been started so well that we pause to remark why it was not done before.

The Keene Milk Problem

The Keene milk situation has created many vexing problems. Naturally the majority of our local producers sought

aid from the Bureau. We are told that if it had not been for our help, the average retail price would have been much lower. We also assisted in obtaining their state aid money for condemned cattle.

Certified Seed Potatoes

Last spring we distributed among our farmers 100 bushels of certified seed potatoes which have produced good results considering the unfavorable weather conditions. A majority of the 30 who planted this special seed report that the yield was far better than the common potatoes. Apparently there is as much difference between pure bred seed and mongrel type as there is between pure bred and mongrel types of cattle. It certainly pays to plant good seed.

More Lime

More and more of our members are beginning to realize the value of lime as an aid in building up the soil. Practically all of the 150 soil samples we have tested for acidity the past year, show the need of lime. The fact that several more carloads have been used this year than last shows that our work is bearing fruit.

Farm Management

Last spring about 75 of our special Farm account books were given out to individual members who kept accounts quite successfully. Many special cost account records were also kept for the New England Milk Producers' Association. These records were of great value for they showed how much it actually cost the dairyman to produce milk on the farm.

Our Cow Test Association

Undoubtedly, our dairymen have never passed thru a more discouraging period than the past six months. But in spite of all our difficulties we have succeeded in keeping our Association in running order. Please note results obtained in the Annual Report of the Cow Test Association given in the November issue of the Bulletin.

Poultry Improvement

Six poultry culling demonstrations have been conducted in various parts of the county during the past year. This work is to poultrymen what the cow test association is to the dairymen in that it enables them to weed out the boarders. This project has been carried out in cooperation with Professor Richardson of the State College who has also given some valuable advice to many on feeding and diseases.

The Federal Land Bank

Thru our office several have been able to borrow money which they could not get anywhere else. This is just the kind of an institution that fills a big need during a time of financial stringency, when money cannot be borrowed at Savings Banks.

Field Days and Community Meetings

This year the attendance at our Annual Field Day was the largest in the history of our Bureau, there being over 3,000 people present. We were especially honored by having as our guests the members of the Executive Committee of the American Farm Bureau Federation.

Practically all the communities that planned their own programs have held very successful meetings and Field Days. The following is a typical community program that has been worked out in the town of Jaffrey by the people themselves.

Jaffrey Community Program

1. Organization: Leader, Mr. Champney.
   (a) Meetings, special.
   (b) Membership.
2. More Lime: Leader, Mr. Champney.
   Encourage at least five to send soil samples to central office for acidity test.
3. Boys' and Girls' Club work: Mr. Morgan.
4. Millinery Demonstration: Mrs. Mack and Mrs. Boynton.
5. Betty Demonstration: Mrs. Champney.
6. Community School and Supper: Committee.
7. Community Field Day: Committee.
8. Form an Egg Circle: Mr. Boynton.
9. Farmers' Exchange support: Mr. Clark.

Home Demonstration Department: A Bird's Eye View of the Work Done This Past Year

Since coming to this county July 15th it has been my aim to visit all the Farm Bureau members, not only to create an interest in the work but also to become personally acquainted with you all. So far 100 home visits have been made.

Up until July 15th, the Home Demonstration work in Cheshire County was carried on by several of the ladies themselves and some very excellent work done. During that time the Clothing Project was carried on in the making of dress forms and hats. In actual numbers 105 dress forms were made and since then 50 have been made making a total of 155 dress forms made in this county during the past year. Then under millinery we find that 212 hats were either made, remade or trimmed up until July 15. Since then 73 have been added to

the list, making a total of 285 hats made over during this past year. Besides this several scattered demonstrations have been given, such as stencil work, tyed and dyed, pressure cooker, household conveniences and pattern work.

Since July 15 there have been 9 Home Demonstration exhibits respectively, at the Annual County Field day in Walpole, the Summer Conference at N. H. State College, Durham, N. H. The work was also represented at the Jaffrey and Winchester Field days, Fitzwilliam fair, Swanzey fair, Alstead fairs, and here also a very successful Baby Show was carried on with the help of the Home Demonstration work. Recently there have also been exhibits at the Annual meeting October 29th and the Cheshire Grange fair in the Keene City Hall November 21st.

Boys' and Girls' Club Work: Comparisons of Special Achievements, 1921

1. Trip by club members and leaders to Club Camp and Short Course held at State College, Durham, N. H., August 16-20, 1921, showed a marked increase over 1920 and a far greater success.

Number of leaders and members attending club day, 1920, 40.

Number of leaders and members attending club day, 1921, 29.

Number of leaders and members attending club camp, 1921, 34.

Total attending Club day and Club Camp, 1921, 63; or an increase for 1921 of 23.

This year, unlike last, the expense of this trip was financed by the clubs at a cost of $250—eighteen clubs were represented.

2. Cheshire County Club Pageant staged at the State College during the Club Camp proved a hit.

3. State Championship Garden Demonstration team. The Best Yet Garden Club of Keene won 1st prize at the State College in competition with other teams from all over the state. We were also fortunate in having a Sewing team win a trip to the Eastern States Exposition last year, thereby having our county represented for two years.

4. The Best Yet Garden demonstration team won first place in judging at the Eastern States in competition with a team from Rhode Island.

5. At the Valley Fair held at Brattleboro, Vt., Franklin County, Mass., Windham County, Vt., and Cheshire County, N. H., our Cooking Demonstration team from the Breezy Wind Club of Keene, won 3rd place in competition with several other teams.

6. The number of exhibits at the County Fair this year were larger than ever before. There were 118 boys and girls who exhibited.

7. Two local leader conferences were held.

8. Besides the above special achievements a number of songs, and yells have been composed. Too, the number of picnics, trips, etc., have been much more numerous than last year, with a much better quality of work as a whole.

RESULTS IN TERMS OF DEMONSTRATION

1. Canning Demonstration.

Here are the girls' records this year:

Flora Craig, age 13, canned 300 quarts of fruits, vegetables and meats, plus 13 jars of jellies or jams.

Florence Wright, age 13, canned 132 quarts of fruit, vegetables or meats.

Dorothy Kingsbury, age 13, canned 37 quarts of fruit, vegetables or meats, plus 1½ jars of jellies.

Nellie Kingsbury, age 11, canned 56 quarts of fruits, vegetables or meats plus 6 jars of jellies.

Dorothy Hoisington, age 14, canned 91.5 quarts of fruits or vegetables, plus 22 jars of jellies or jams and 17.5 quarts of pickles.

Ernestine Clark, a little girl of 9 years, canned 209.5 quarts of fruits and vegetables, plus 28 jars of jellies or jams.

The Breezy Wind Demonstration team put on 16 demonstrations, 3 of which were public. One of the demonstrations was given at the Valley Fair held at Brattleboro, Vt.; 3 counties, Windham County, Vt., Franklin County, Mass., and Cheshire County, N. H., participating. The team won 3rd place in competition with several other teams.

The club work in cooking totals as follows: 528 dishes made in 173.55 hours at a cost of $111.78. 353 extra dishes made; 81 lunch boxes packed in 16.45 hours at a cost of $13.99; 89 meals prepared and served at a cost of $142.84; 54 extra meals served at a cost of $46.79.

The treasurer has taken in $17.89 and spent $16.80 in sending delegates to the Club Camp at the State College, for decorating booths at fairs and general club expense.

The club is a 100 per cent Achievement club.

2. Sewing Demonstration.

The 8 girls enrolled made 76 garments with a total labor hours of 530 hours and 28 minutes. Valued at $65.90. Cost $37.97 with a value above cost of $29.17. Extra work done, 33 garments, labor hours 86½ valued at $24.75 at a cost of $11.12 —value above cost $13.63. The little mascot made 4 garments.

The demonstration team put on 6 demonstrations before club members and one public demonstration.

The club has started its next year's work with 5 girls

enrolled for 1922, and are to meet Dec. 20, to make out a program for the ensuing year and elect new officers.

The club last, but not least, is a 100 per cent Achievement club for 1921.

Considering the Sewing Clubs on a whole, we have 9 Achievement clubs, 4 of which will be 100 per cent Achievement clubs.

3. Field Corn Demonstration.

We have one Field Corn club with 5 members plus one individual enrollment. This will be a 100 per cent Achievement Club. The boys selected good seed, testing the same before planting. At the State Fair 2nd and 4th prizes were won on the exhibits of 2 of the boys. The average yield per acre was 72.17 bushels, against 45 for the state, or an increase of 27.17 bushels per acre as a demonstration of better methods, even in a year not so very favorable to corn production.

4. Garden Demonstration.

The members completing this year were slightly larger than last but did not show quite the profits as last season because of the very unfavorable season at the time when the work should have been started. Probably if the season had been more favorable our number completing the work would have also been greater. At planting time we had a very dry spell followed by a wet, cool spell which discouraged the planting. However after the work was started the members had very fine gardens, taking all the handicaps into consideration.

We had four Standard garden clubs, three of which became achievement and two of which will be 100 per cent achievement clubs.

With but few exceptions all members showed a good profit from their gardens.

One club of 5 members raised vegetables to the value of $91.65, making a profit of $61.69.

5. Potato Demonstration.

We have had one potato club, plus individual enrollments. The Midnight Potato club have done some very good work and will be a 100 per cent achievement club. The boys in a number of cases purchased Green Mt. Certified Seed from Maine. Where seed was not purchased good local seed was used. The average production per acre by all members reporting was 170.2 against the average of 129 (8 yr. average), for the state. Thereby they actually demonstrated an increased yield of 41.2 over the average of the state.

6. Poultry Demonstration.

We have had no organized club in poultry, but of the individual enrollments, all showed a very good profit. This seems to be a very good field and the work is being carried on successfully among the members enrolled. Four members showed a profit of $157.19, 3 of which were just getting started.

7. Gilsum Flower Club.

This was a special club organized last year under the leadership of Mr. M. E. Starkey for the purpose of beautifying the school grounds, public buildings, squares, and roadsides in the town, which is en route to the White Mountains. The work, as planned, would have surpassed last year's work but the very unfavorable season prevented. At the time when the transplanting should have been done a long dry spell came on which made it impossible to set out plantings. Then came a wet spell which was also not very favorable to the work. However, some very fine flower gardens resulted and the Flower show of the club, as well as the individual collections of Mr. Starkey, were a great credit. Mr. Starkey personally offered very liberal prizes to the boys and girls for the best flower gardens and the best exhibits of flowers. To him a large amount of credit is due.

Respectfully submitted,

EXECUTIVE BOARD OF THE CHESHIRE COUNTY FARM BUREAU.

By D. Minot Spaulding, Secy.

Keene, N. H., January 22, 1921.

Mr. Charles M. Norwood, county commissioner, Keene, N. H.
Mr. Frank A. Davis, county commissioner, Hinsdale, N. H.
Mr. Jerry P. Wellman, county commissioner, Keene, N. H.

Gentlemen:

At a meeting of the Cheshire County delegation to the legislature held in Concord January 18, it was voted to invite the Cheshire County Commissioners to meet the delegation in Concord at their early convenience, and submit their estimate of expenditures.

Yours truly,

FORREST J. HALL. Clerk.

A meeting of the Cheshire County Delegation was held in Room 100, State House, Wednesday, February 9, 1921, at 9 a. m. Chairman Swan presiding.

The resignation of Mr. Hall as secretary was accepted. Mr. Anderson was elected to succeed him.

House Bill No. 93, an act relating to a proposed State road in Winchester, was taken up, and a map of the proposed road was shown by Mr. Coombs.

A short informal discussion followed.

Mr. Callahan moved the delegation support House Bill No. 93. Motion adopted.

County Commissioners Norwood and Davis appeared before the delegation and Mr. Norwood read a summary report

of expenditures by the County Commissioners during 1920. He also gave estimates for the several departments for 1921 and 1922. Mr. Callahan moved that fifty copies of the report be printed. Motion adopted.

A Committee Bill to improve and protect the drainage and sewerage system of Keene was read and on motion of Mr. Callahan it was voted to have the Bill introduced and referred to the Cheshire County Delegation.

Moved by Mr. Callahan the whole delegation be a committee to visit the County Farm and buildings. Motion withdrawn. Voted that a committee of five be appointed to visit the County Farm, Friday, February 18. The Chairman announced he would announce the names of said committee later.

It was decided to hold a joint meeting of the Cheshire County and Sullivan County delegations at 2 p. m. today for the consideration of House Bill No. 104.

Meeting adjourned.

CALVIN S. ANDERSON. Clerk.

Joint Meeting of the Cheshire County and Sullivan Delegations held in Room 100, February 9, 1921, at 2 p. m.

Chairman Ball of Sullivan County presided, Secretary Hall of Cheshire County acted as secretary. House Bill No. 104 was considered, providing for a continuous highway for the Vermont State Line at North Walpole to the West Side Road at Lebanon.

Remarks by Mr. King of Walpole, Mr. Fay of Keene, Mr. Chellis of Plainfield, Mr. Ross of Lebanon, Mr. Booth of Hinsdale and Mr. Hall of Keene.

Moved that a committee of nine be appointed, three from Cheshire County, three from Sullivan County and three from Grafton County, by the chairman of each delegation to investigate and take charge of this matter. Motion carried.

Moved by Mr. Fay that the chairman of the delegations make their appointments and report at a future meeting.

Motion carried.

Adjourned.

FORREST J. HALL, Secretary.

Room 100, State House, Concord, February 23, 1921.

Meeting of Cheshire County Delegation called to order at 9.30 a. m. by the Chairman, Mr. Swan.

The committee appointed to visit the County Institutions, Representatives Callahan and Whitman of Keene; Coombs of Winchester, Damon of Fitzwilliam and Pierce of Dublin submitted the following report:

Keene, N. H., February 18th, 1921.

Cheshire County Delegation.

Gentlemen:

Your committee consisting of five, as instructed, visited the County institutions and we wish to submit the following report:

At the County Farm in Westmoreland we found the stables and barns in very satisfactory condition, the stock of milch cows and young cattle were in good flesh and showed good care. There seemed to be plenty of hay and ensilage of good quality. We would not however recommend any addition to the farming

end of the institution in the way of buying land or greatly trying to develop further in this line.

In inspecting the Home we find that there surely is need of new toilets being put in in a sanitary manner with floors of cement or a similar substance, also that they be placed where they could be opened to the air.

We found the building as a whole in a clean, orderly, well taken care of manner, with the exception of the old part where there were rooms which are in great need of repair and windows which are not tight.

The laundry, while not being of the best, we would not advise changing at this time. We would advise at a very early date a fire escape being placed on the second floor of the building which seems to be used as rooms for the old ladies, inasmuch as there is only one exit which is a very narrow pair of stairs, and the windows in this section are screened with a heavy wire screening which are kept locked, therefore, in our opinion it is a fire trap which should be immediately eliminated.

The recommendations of the County Commissioners for appropriations for each of the years 1921 and 1922 were taken up and discussed.

Voted that the County appropriate for each of the years 1921 and 1922 $70,000.00.

Voted that a committee of five be appointed to investigate and report on the feasibility of doing away with the County buildings and substituting some other way of caring for the inmates.

Committee: Rice of Keene, Booth of Hinsdale, King of Walpole, Lane of Swanzey and Donahue of Jaffrey.

Meeting adjourned.

CALVIN S. ANDERSON, Clerk.

State House, Concord, N. H., March 2, 1921.

Meeting of Cheshire County Delegation called to order by Chairman Swan at 9.15 a. m.

The Chairman stated that there was a misunderstanding as to the amount of cash in hands of the County Commissioners. The amount reported by them was the cash on hand Jan. 1, 1921, while the fiscal years ends March 31, and the commissioners are now out of money. Consequently the commissioners protest that the appropriation of $70,000 is too small.

Discussion follows.

Damon of Fitzwilliam moved to increase the appropriation by $5,000, making the appropriation $75,000 for each of the years 1921 and 1922.

Mr. Pierce, President of the Cheshire County Farm Bureau Association was granted the privilege of the floor to speak in behalf of that organization. The speaker advocated sustaining the work of the Bureau by allowing $1,000 for the Boys and Girls Club Department, that their work may be kept up and thus tend to keep the boys and girls on the farm.

Senator Smalley of Walpole also spoke along the same lines.

Petitions from farmers and other citizens of Jaffrey praying for the sustaining of the work of the Farm Bureau by a liberal appropriation were read.

Mr. Damon then withdrew his motion and substituted the motion that $6,000 be added to the former appropriation of $70,000 annually for two years, making it $76,000, with the proviso that $1,000 of it be added to the allotment to the Farm Bureau Association to be used specially for the benefit of the boys and girls club. Motion adopted.

Representative Callahan and Representative Fay discussed House Bill No. 300, relating to more efficient drainage and sewerage for Keene.

Moved by Fay of Keene that Bill No. 300 be reported to

the House with the resolution that it is inexpedient to legislate. Motion adopted by unanimous vote of the Keene and Swanzey delegations.

Meeting adjourned.

CALVIN S. ANDERSON, Clerk.

Room 100, State House, Concord, N. H., March 23, 1921

Meeting of Cheshire County Delegation took place immediately after meeting of the special committee appointed to investigate and report on the advisability of disposing of county buildings.

A request from the County Commissioners asking for permission to purchase a truck for the use of the county was received. On motion of Mr. Booth of Hinsdale permission was granted.

Special committee reported favorably on the advisability of selling the county jail.

It was

Voted: to have a bill introduced into the House to allow Cheshire County to dispose of its jail, and to provide for the care of its prisoners elsewhere.

On motion of Mr. Rice the meeting adjourned.
